DEDICATION

Every Aragon student is aware of the famous Aragon spirit, that blend of high morale and high academic achievement which characterizes a truly outstanding school. One man more than any other has been responsible for creating that spirit and transforming Aragon from an unknown quantity into a first rate school.

This man, Mr. Kenneth G. Allen, has at all times been an understanding friend and a perceptive adviser. To Mr. Allen, we, the class of 1964, gratefully dedicate this yearbook.

Say Hey Cindy:

KENNETH G. ALLEN

"Fellow Dons:

Our Senior Class this year is the first to represent Aragon for a full four years. They have contributed much to making Aragon the fine school that we know it to be; but we cannot rest on their efforts—there is much yet to be done. We have had fine athletic teams. We have won trophies for our student body spirit and sportsmanship. Our music and drama groups have developed into excellent performing organizations. However, we have yet to meet the real test of an excellent school—how well have we prepared the graduates to succeed in their individual efforts to find a place in our society? I am sure that if each one of you develops your abilities to the highest degree possible while here at Aragon, we will meet the test."

The fall Mid-Peninsula League Conference, concerned with the theme, "The Challenge of Being," was held at Aragon on Saturday, November 23. The Conference was for seniors only and the topics under discussion, the challenges of being happy, concerned, an individual, and responsible, proved to be interesting subjects for each group. A highlight of the day was a "High School Bowl" in which students of our schools matched wits. The Conference was deemed by all to be a big success.

The members of the Aragon student court are selected by the judicial nominating committee. The court, working closely with the Order Commission, attempts to control student violations of school rules. The student court was formed to give students a chance to keep each other in line, instead of having an adult dictate to them. If the violator is found guilty he is punished according to his "crime", punishments ranging from essay-writing to campus "cleaning-upping." Then they are referred to the Dean.

AMERICAN FIELD SERVICE

Enrico Morelli from Italy

One year of unforgettable experiences, friendly understanding, indelible impressions is over. I thank my American family, my principal, my counselor, my teachers and all the friends who have made my year a success.

I was interested in my subjects, liked Aragon, loved the sun of California. My memories of this country and of my experience here will remain with me always. I hope I will again see this lovely land, and my friends governing it. And to this school which has forged my character for one year I would like to say: "In corde et mente, narrata et tradita, Aragon eris . . ."

Good Luck!

Enrico Morelli

Foreign Study Commission sponsors the A.F.S. Program. This involves selecting Aragon students to be candidates for living and studying in a foreign country, the raising of sufficient funds to send an Aragon student on such a program, and to bring a foreign student to Aragon. The Commission also engages in various cultural activities such as trying exotic foods, foreign films, art shows, and the like.

Aragon's Girls' Association, to which every girl at Aragon belongs, is one of the busiest clubs on campus. Starting in the fall with a luncheon given for all the new girl transfer students, A.G.A. follows it up with a Christmas Formal and an all girl fun-day in May. The money which A.G.A. has collected in the past two years has been enough to offer \$250 scholarships to two girls and to sponsor a foreign orphan. Besides these activities, A.G.A. supplies guides for the new girls at school.

Under the excellent guidance of Mr. Richard Bell, the AHS drama department presented three plays this past year. "Harvey," a play about an imaginary six-foot, martini-sipping rabbit, was a great success and a lot of fun for all. The second play, "Stage Door," was a bit more serious (though it did have its light moments) being about the life of an actor before his/her "big break." When the yearbook went to press, work was beginning on "Diary of Anne Frank" with Geri Esten in the title role, and we're sure it too will be a success.

"Let go of me, you white slover."

Feeling the loss of last year's seniors, the Don's football team fought through a rough season against powerful schools. Opening the season against Westmoor, the team suffered a 28-6 loss. Still in a slump, the team dropped the second game to Saint Francis. But revenge was gained with a win of 6-0 in the game with Oceana.

With the beginning of the league games beneath the lights, the Dons narrowly lost 13-14 to the defending league champions—Burlingame. The last of the evening games was to be against Mills.

Coach Gordon gives a few half time pointers to varsity starters.

This game was cancelled out of respect for our late President, John F. Kennedy, whose assassination took place the day the game was scheduled.

The Football spectacular came on the twenty-eighth of November when the Aragon Dons faced the Hillsdale Knights at San Mateo in the second of the traditional Thanksgiving Day games. At their peak form, the Dons trounced the Knights 7-3.

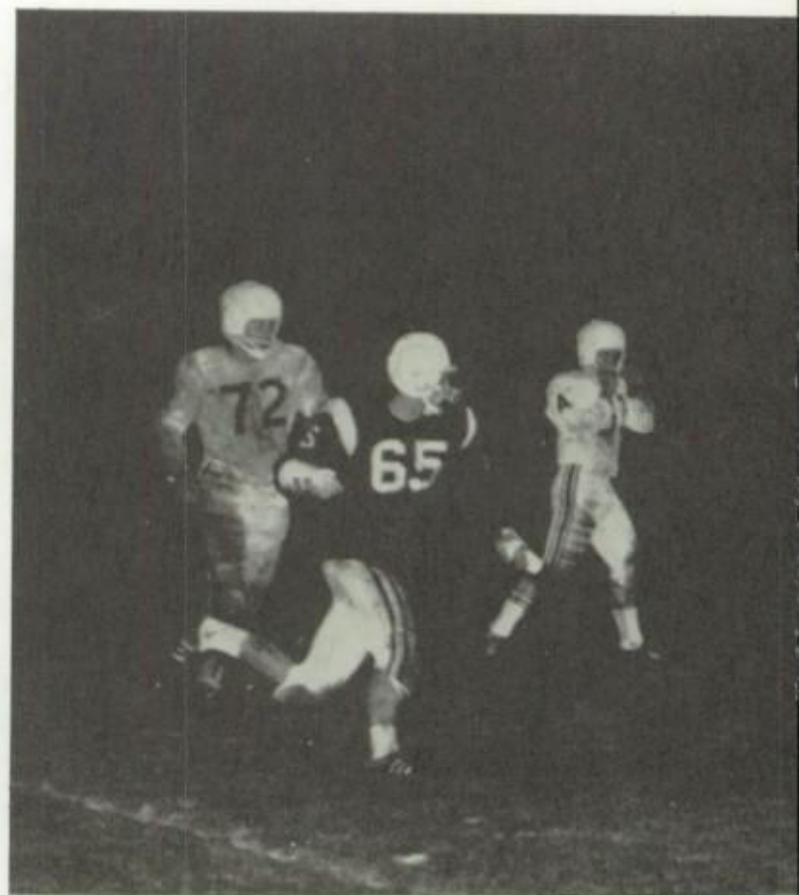

Referring to next year, Coach Taylor made this comment: "As I have said, the team will do better each year. We are losing some good linemen, but the team will realize that they have to do the job, and it will get done!"

An athlete's achievement of a block letter depends upon his individual success in a chosen sport. The highest possible award, the Gold "A", has thus far been awarded to: Rick Wirgler, Mark Jorgenson, Lani Hediger, and Chris Nelson, Class '63, and Bob Graham, Class '64.

M.P.L. CHAMPIONS

Aragon did it again! M. P. L. champs for the second year in a row! It was a battle right down to the last few seconds, but under the inspired leadership of Coach Ed Diaz, the team emerged the winners.

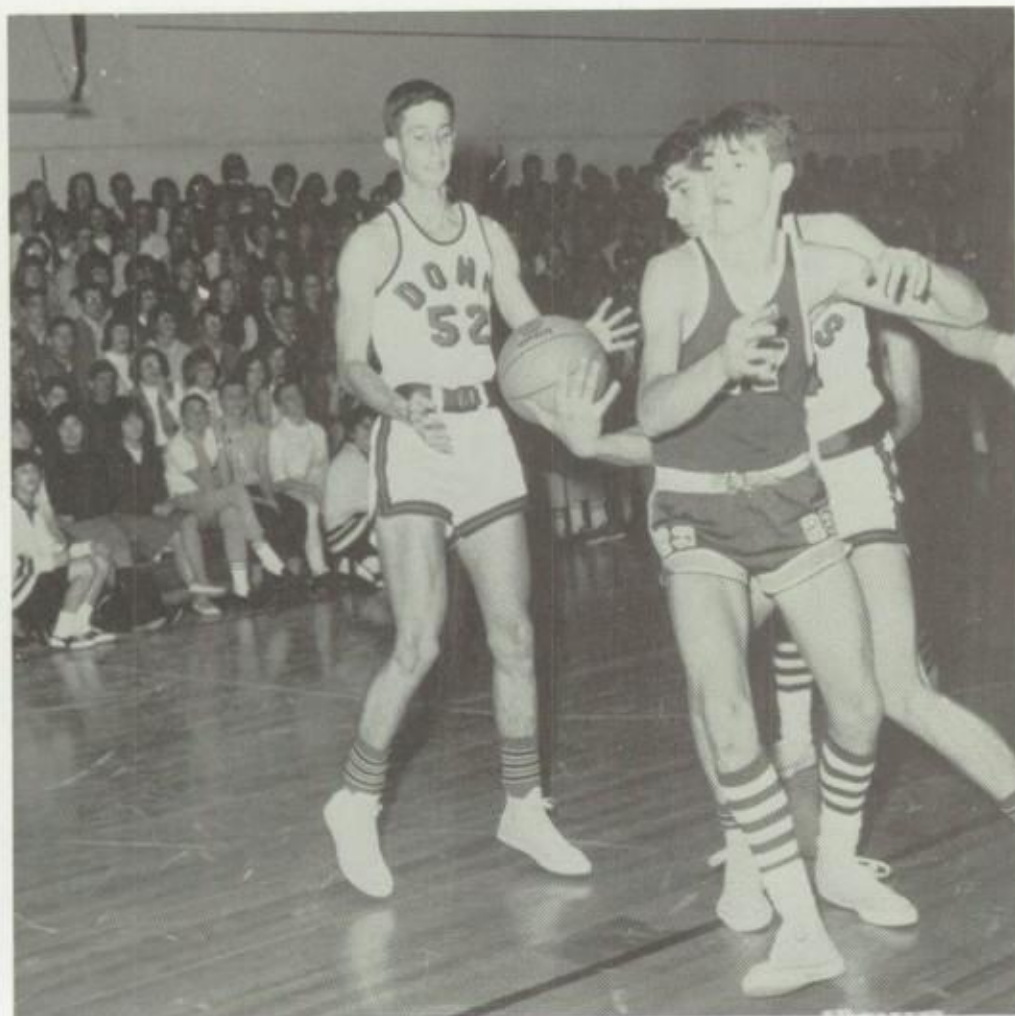

According to Coach Diaz, "There was no single player who carried the team throughout the season. We were fortunate in that we had a good, balanced squad that could come up with the winning combination. There was as much spirit and effort as anyone could ask for." Bob Toschi and Bob Wells led the team in rebounding while Bruce Sivils and Bob Somerby accounted for about forty per cent of the scoring.

When asked what the team's chances were for next year, Mr. Diaz said, "Right now I am concerned about the tournament; ask me **next** year."

Aragon's jumping-jack forward, Bob Wells, goes up and over his Hillsdale opponent for two points.

Bill Starret
6'1" Senior forward, turned in consistently reliable performances during the year.

Bob Toschi (45), Bruce Silliman, (partially hidden), and Tony Campagna (43) move in on lone Hillsdale Knight.

The long reach.

Even though the "B" team was short of material this year, the continuous efforts of Dennis Casagrande, Rich Fathy, Ray Schreuders, John Wilson, Paul Wood, and Mike Young gave the team thrilling moments, such as a last second effort against Burlingame which brought the Dons a one point victory, and the defeat of the league leaders — Capuchino.

"C" BASKETBALL

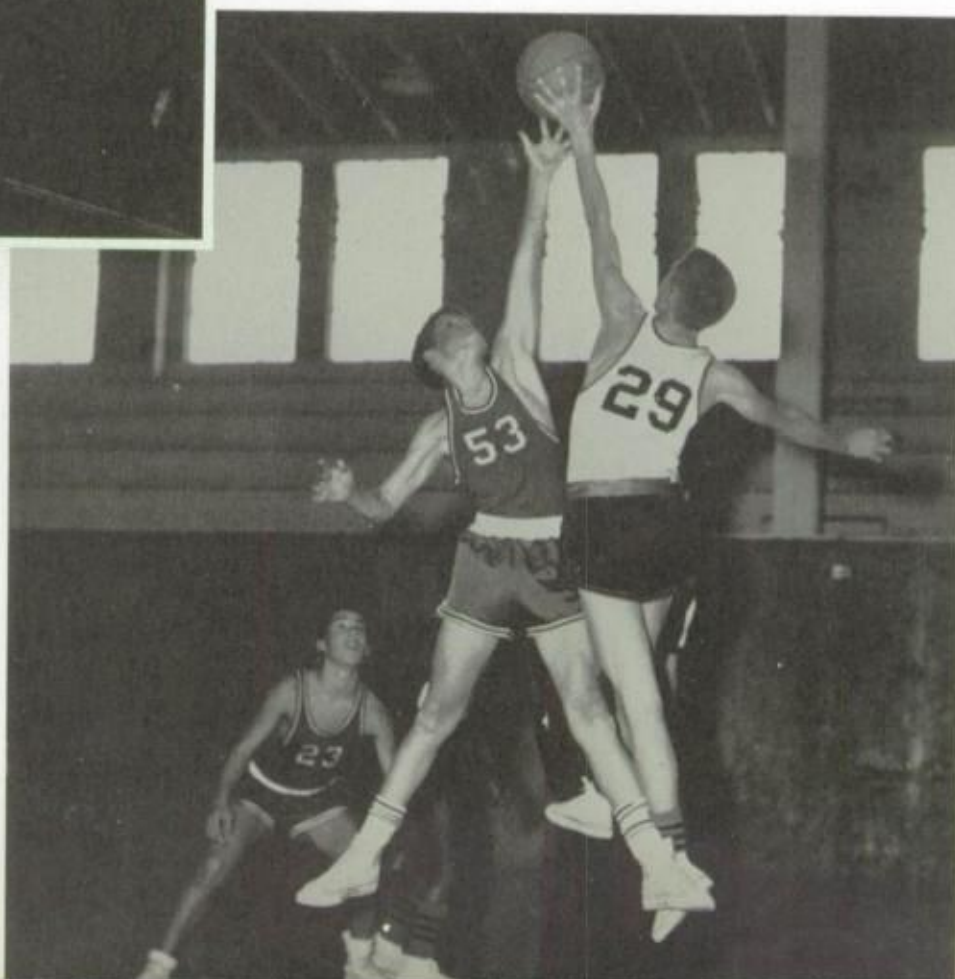

Left to right: G. Eisenberg, B. Lenord, C. Steiner, B. Waters, M. Yamaguma, D. O'Neil; kneeling W. Chun.

Aragon's basketball team was led by senior guard Wes Chun. He was leading scorer, playmaker, and was selected M.P.L. first guard. Coach Diaz named Bob Waters the most improved player on the team. George Eisenberg was also cited for his excellent rebounding. The Cs finished the season with an 8 win—6 loss record.

Left: Three Aragon Dons move in on a rebounding Bearcat.

Right: Rick Nystrom (53) strains at the jump, while Bob Alvord (23) tensely awaits the ball.

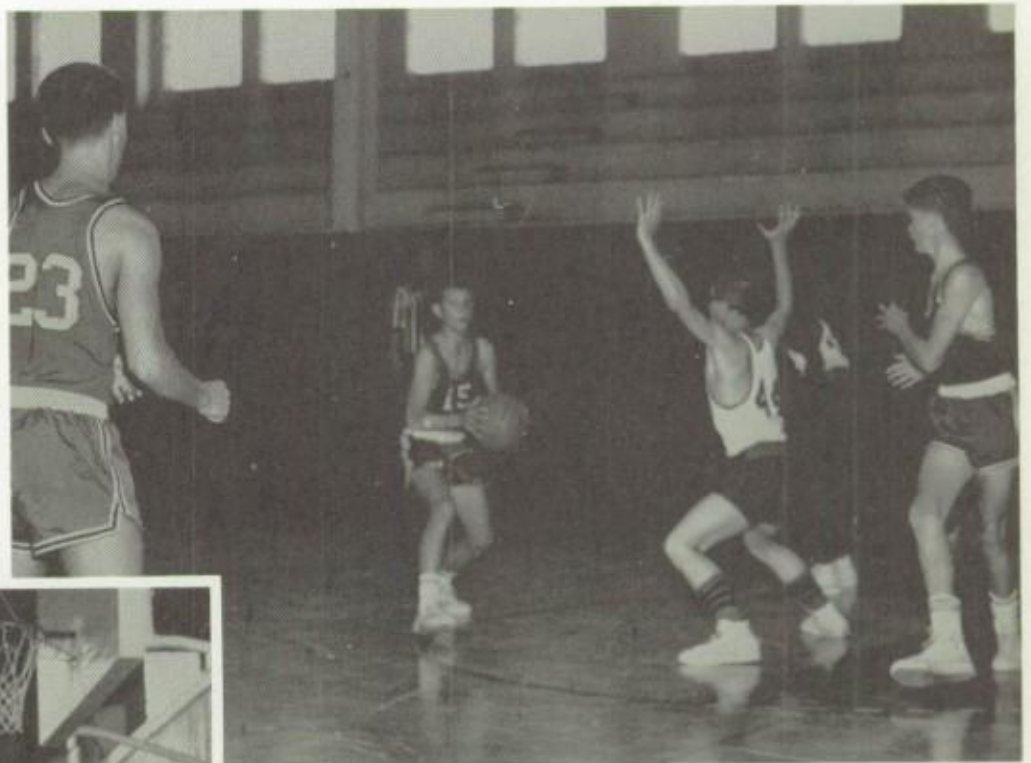

"D" BASKETBALL

The D basketball team was led by Rick Nystrom. The D's finished the season with a 6 win—8 loss record. Team members gained a lot of valuable experience. Gordon Dent was named most prolific scorer by Coach Diaz.

Will this be another Coppo Victory?

The loss of many graduating seniors from the track team has made the '64 season a "building year"—a year in which good prospects are trained for the coming season. With much of the talent coming from underclassmen, three seniors still remain in the spotlight. They are Joe Ballard, distance; Jack Collins, hurdles; and Jerry Quintana, middle distance.

Outstanding in their field are John Wilson, pole vault; Russ Coppo, dash; Bob Bacon, middle distance; Jim Cook, dash; Curt Cole, broad jump; Brian Robertson, distance; and Steve Skale, distance.

John Hains shows his form in the high hurdles.
